11. Click **Continue** at the bottom of the screen.
12. Follow the download instructions.
13. To Install the Windows IBM driver, extract the files into a folder.

Important! Open a Windows Command Prompt window with **Run as administrator**.

Example: Click on **Start > All Programs > Accessories**, and then right-click on the **Command Prompt** icon.

14. Navigate to the folder that you extracted the files to.

15. Do one of the following:

(Non-Exclusive) If you are *not* running IBM Tivoli Storage Manager:

Run the following command to install the tape device driver:

```
install_nonexclusive.exe -t
```

(-t parameter tells it to only install the tape driver)

(Exclusive) If you are running IBM Tivoli Storage Manager:

Run the following command to install the tape device driver:

```
install_exclusive.exe
```

i Note: If you need to uninstall the IBM driver, run **uninst.exe** from the same folder. A reboot is required after running **uninst.exe**.

HP LTO tape drive drivers

1. From a Web browser, access: <http://www8.hp.com/us/en/drivers.html>
2. **Under Find my product**, enter one of the following arguments, exactly as shown:

Example: If you have an LTO-6, type **Ultrium 6250**.

- HP LTO-2: Ultrium 448
 - HP LTO-3: Ultrium 960
 - HP LTO-4: Ultrium 1840
 - HP LTO-5 : Ultrium 3280
 - HP LTO-6 : Ultrium 6250
3. Click **GO**.
 - a. Click **HP StoreEver Ultrium Tape Drives**.
 - b. Click **HP StoreEver <product from step 2> Internal Tape Drive**.
 4. Select your operating system.
 5. Expand **Driver – Storage Tape** by clicking on the plus [+] sign.
 6. Click **Download** and follow the download directions.

Driver - Storage Tape (1)

Description	Current version	Size (MB)	Previous version	Download
HP Storage Tape Drivers for Windows (American, International)	4.0.0.0 (a) 9 Sep 2014	8	3.9.0.0 18 Feb 2014	Download

7. Run the downloaded file (for example, **cp023805.exe**).

8. Click **Install**.

9. Uncheck everything except **HP LTO Tape Drive**, then click Install.
