## 7. General.

- a. Non-Waiver. The failure by Quantum at any time to enforce any of the provisions of this EULA or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, right, remedy or option or in any way affect the validity of this EULA. - b. Verification. Upon ten (10) days notice to Licensee, Quantum shall have the right to (or to have a third party) inspect and audit Licensee's books, records and systems to confirm Licensee's compliance with the provisions of this EULA. In the event that the audit reveals unauthorized use of the Software, or use beyond the scope of the usage limitations and restrictions applicable to the Software, then, without prejudice to Quantum's other rights (including termination of the License), Licensee shall promptly pay the License Fees to cover all use of the Software disclosed by the audit starting from the date the unlicensed use was presumed to have began, plus a reinstatement fee of fifty percent (50%) of the License Fees payable for such unlicensed use. Licensee agrees that all unlicensed use of the Software shall be presumed to have started on the first day on which the Software was made available to Licensee (through shipment, delivery or otherwise), unless Licensee proves otherwise to the satisfaction of Quantum. If the audit determines that Licensee underpaid the License Fees by more than five percent (5%), Licensee shall pay Quantum's reasonable costs and expenses for the audit (including transportation, travel, and if applicable the cost of the third party auditor). Such payments shall be in addition to and without limitation of any rights or remedies which Quantum may have hereunder, at law, or in equity, arising out of or related to any other breach by Licensee of its obligations hereunder, nor shall it relieve Licensee of otherwise complying with this EULA. - c. No Assignment or Modification. This EULA may not be assigned, delegated or otherwise transferred by Licensee, by merger, acquisition, change of control, operation of law or otherwise, without the express prior written authorization of Quantum, which may withhold consent in its sole discretion. The invalid or unenforceable part or provision shall be replaced with a provision negotiated in good faith between the parties which accomplishes, to the extent possible, the original business purpose of such part or provision in a valid and enforceable manner.
- h. Language. This EULA is in the English language only, which language shall be controlling in all respects, and all versions hereof in any other language shall be for accommodation only and shall not be binding upon the parties. Upon termination of this EULA, Licensee shall have a senior officer certify to Quantum within thirty (30) days of termination that it has destroyed or returned to Quantum, at Quantum's option, all Confidential Information, and all copies thereof, whether or not modified or merged into other materials.
