

Sales and Support Terms and Conditions

These Quantum Sales and Support Terms and Conditions (“Terms and Conditions”) set forth the terms governing the one-time purchase, licensing, and provision of the Quantum Products, Support Services, Software as a Service, and/or Cloud Services (as defined below) listed on the Quantum Sales Quote (“Quote”) accompanying and/or referencing these terms, and the limited warranty provided thereon. If the purchaser (“Customer”) has previously negotiated and executed a reseller, distributor, master purchase, master services, or a similar agreement setting forth terms of purchase of products and/or services from Quantum by Customer which is in effect at the time of this purchase, that agreement will take precedence over these Terms and Conditions. Otherwise, Quantum’s assent to any agreement between Quantum and Customer for any sale in connection with a Quantum Sales Quote (“Quote”) is expressly conditioned on Customer’s assent to these Terms and Conditions. Customer’s assent will be conclusively presumed if Customer responds by issuance of a purchasing document. Any different, conflicting, or additional terms in Customer’s purchasing document are objected to and deemed rejected unless expressly approved by an officer of Quantum in writing. Capitalized terms shall have the meaning prescribed herein.

1.3 Professional Services

“**Professional Services**” means services requested by Customer and provided by Quantum for an additional fee, and that are excluded as part of Support Services or are specifically identified as Professional Services herein. 3. Delivery

Delivery of purchased Products will be FCA Quantum’s manufacturing facility (INCOTERMS 2010). Title and risk of loss or damage to the Products shall shift to Customer upon release to the initial carrier for holding or shipment. Customer hereby grants Quantum a purchase-money security interest in all Products to secure payment of the purchase price and any other charges due to Quantum. If delivery of the Products to the initial carrier is delayed in excess of twenty Business Days, Customer may cancel the order involved upon notice to Quantum prior to shipment. Such cancellation right is Customer's sole remedy for any delay or failure in delivery by Quantum. Customer purchases of Products from a Quantum Authorized Reseller shall be shipped pursuant to the terms between the Customer and the Reseller.

4. Prices and Payment

4.1 Generally

Quoted pricing will be valid for thirty days unless a different term is set forth in writing. Customer agrees to pay to Quantum the purchase price set forth in the Quote. All such time and materials charges will include actual travel time and travel expenses, as well as costs incurred due to waiting, rescheduling, or other accommodations made as a result of lack of Customer availability or of preparation by the Customer for services scheduled. Quantum will provide an estimate of total costs prior to performance of Professional Services on a time and materials basis. This estimate shall be non-binding unless otherwise specified in writing.

4.4 Service Re-Enrollment Fee

In the event that Customer fails to maintain a current and continuous Support Contract with Quantum or a Quantum Authorized Service Provider, and thereafter seeks to re-enroll into a current Support Contract, Quantum may assess a re-enrollment fee in addition to the fees for the upcoming Support Term.

4.5 Payment

For purchases made directly to Quantum, Customer shall either prepay (www.directpay.quantum.com) or complete a credit application (www.quantum.com/credit) requesting payment terms. Payment shall be due in full within thirty days from the date of the invoice in the currency quoted. Payment terms are not guaranteed and are subject to approval and ongoing credit history and timely receipt of payment. Customer purchases from a Quantum Authorized Reseller shall be paid by the Customer pursuant to the payment terms between the Customer and the Reseller. Past due invoices of more than 15 days for Support Contracts may result in suspension of the contract and services performed there under. Past

due invoices of more than 30 days for Support Contracts may result in termination of the contract and services performed there under.

5. Order Cancellation

Subject to Quantum's prior written approval, Customer may cancel an order, or any portion thereof, for standard Products at any time prior to thirty days before shipment when shipment is not delayed. This cancellation right is subject to a cancellation charge of fifteen percent of the purchase price.

Certain Third Party Product documentation is available at www.Quantum.com. Notwithstanding any provision herein, subject to any non-excluded rights that you may have under the laws in your country, Quantum makes no representations or warranties regarding Third Party Product, and shall have no ongoing obligations to Customer for the support or maintenance of Third Party Product unless expressly agreed to in writing. Third party software licensed by Quantum and embedded in Quantum branded software or hardware and not separately licensed shall not be considered Third Party Product.

Quantum shall mark each Product with the country of origin in compliance with the marking requirements of the United States.

14.2.2 Cloud/SaaS Services

Customer acknowledges that it will have exclusive responsibility for compliance with United States and multilateral export controls applicable to the data or software it uploads through SaaS or Cloud Services. This responsibility extends to the controls applicable to the computations and derivations (output) from the use of the software or data through SaaS or Cloud Services. Quantum assumes no responsibility to screen the Customer or its own employees from access to such data or Software and their output, or to track or control their export or transfer. Customer agrees to strictly prevent access, export, or transfer of its data, Software, and related output on the Cloud that is controlled under the mentioned regimes to countries and individuals sanctioned by the US Office of Foreign Assets Control (OFAC), the US Export Administration Regulations (EAR), the US International Traffic in Arms Regulations (ITAR), and other related laws and regulations, as applicable. Customer also agrees to prevent its Software and data uploaded to the Cloud from being used in the development, production, use, or proliferation of weapons of mass destruction (as defined in the aforementioned laws and regulations), to include chemical, biological or missile technologies. Any violation of these and other applicable laws and regulations will be the exclusive responsibility of the Customer. The Customer will indemnify Quantum and its affiliates in the event of investigation or prosecution by any government or government agency responsible for such controls and compensate Quantum for any costs and hardship incurred during and as a result of such an event.

14.2.3 Access Control

Customer acknowledges and agrees that any access to SaaS, Quantum's Cloud, or Cloud Services given by Customer to any person outside of the countries of the European Economic Area shall be considered as an express written consent to Quantum to supply such services and data, and such

consent shall be deemed given by Customer and the relevant person/data subject. Customer shall indemnify Quantum without limit from and against any loss, damage, cost, expense claim, demand, liability, judgment, detriment, fine or compensation it incurs as a result of any breach of data protection rules due to Customer's activity in allowing such access.

14.3 Data Protection

Customer (a) acknowledges that Customer is the Data Controller and that Quantum is a Data Processor as defined in the European Data Protection Directive 95/46/EC; (b) agrees to comply with Customer's obligations under applicable data protection legislation implementing the European Data Protection Directive 95/46/EC and any amendments, revisions, re-enactments or consolidations thereof in relation to Customer's collection, processing and provision of personal data and sensitive personal data ("Data") provided to Quantum in connection with SaaS or Cloud Services; (c) shall indemnify and keep Quantum indemnified against all costs, claims, losses, damages and expenses (including legal expenses) arising out of, or in connection with, any breach of the above provisions by Customer and/or Customer's employees, agents and/or sub-contractors; and (d) acknowledges that Quantum is reliant on Customer for direction as to the extent to which Quantum is entitled to use and process Data. Consequently, Quantum will not be liable for any claim brought by Customer or any Data subject arising from any action or omission by Quantum to the extent that such action or omission resulted from Customer's instructions. Customer shall be responsible to notify Quantum if any Customer data managed, accessed, hosted, or otherwise actively controlled by Quantum in conjunction with Cloud Services is subject to regulatory security or handling processes. Data residing in a customer environment shall not be considered managed, accessed, hosted, or otherwise actively controlled by Quantum.

15. SaaS and Cloud Services

Quantum's SaaS and Cloud Services shall be provided under these Terms and Conditions supplemented by the terms of service, use policies, and other documents accompanying the download and available at www.quantum.com by Product ("Supplemental Agreements"). The Supplemental Agreements are hereby incorporated by reference and to the extent the terms of the Supplemental Agreements conflict with these Terms and Conditions, the term of the Supplemental Agreement shall prevail. Download and/or use of SaaS or Cloud Services constitutes acceptance of the terms of Supplemental Agreements. Customer's use of SaaS and/or Cloud Services shall be limited to the use parameters specified at the time of purchase including but not limited to capacity and/or bandwidth. Customer shall deploy Quantum recommended policies to ensure use within such limitations. Use beyond such limitations will result in additional charges to Customer following Quantum's assessment of the use.

16. Excluded Uses

Customer acknowledges that Products, SaaS, and Cloud Services are not absolutely fault-tolerant, and are not designed for use in or resale into hazardous environments requiring fail-safe performance in which the failure of the products could lead directly to death, personal injury or severe physical or environmental damage such as, but not limited to, the operation of nuclear facilities, aircraft navigation or communication systems, direct life support systems, critical safety systems, medical devices, weapons systems or satellite equipment (“high risk activities”). Quantum disclaims any express or implied warranty of fitness for high risk activities. Quantum will have no liability for any claims or damages arising from high risk activities, and Customer will indemnify, defend (with counsel approved in advance in writing by Quantum) and hold harmless Quantum against any and all claims, costs, damages, expenses and liabilities arising out of or in connection with any such use.

17. Classified Environments

Purchases of Quantum Product or Services (of any kind) to be located, utilized or performed in US federally classified environments, and requiring response or services by cleared personnel, must be supported by a DD254 which must be generated by the Prime Contractor or the appropriate US Government Agency and issued to Quantum before services can be provided. Failure to do so may result in a delay of or inability to provide service for which Quantum shall not and does not assume liability. Customer shall, at or before the time of purchase, (1) confirm to Quantum whether classified environments are involved, (2) if so, that a DD254 will be issued, and (2) provide the name and contact information for the responsible Prime Contractor Contracting Officer.

18. Software License and Software License Subscription

Software Products are licensed, not sold, for use solely on the Designated System under the terms of the license agreement included within the Software or the Software package, however titled. Software Products licensed and paid for on a subscription basis (“Software License Subscription”) are licensed for use only during the paid-for period of a subscription term. Use of Software beyond the Designated System (i.e. exceeding the number of client devices or capacity designated at the time of sale) or following termination of the subscription shall constitute violation of the License. If used or acquired by the U.S. government, then the U.S. government acknowledges that (a) the software constitutes “commercial computer software” and accompanying documentation constitutes “commercial computer software documentation” for purposes of 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-3, as applicable, and (b) the U.S. government’s rights are limited to those specifically granted to Customer pursuant to said license agreement. The contractor/manufacturer is Quantum, 1650 Technology Drive, San Jose, CA 95110.

The Product or parts of Product that are removed or replaced, either by Customer or Quantum will become property of Quantum and must be return shipped to Quantum within 10 business days. All replacement parts shipped to Customer shall be shipped DAP Customer site in

Quantum Products or upgrades that are designated non-customer installable shall require purchase of Professional Services for installation from Quantum, and failure to do so and self-installing such Products or upgrades may void the applicable warranty and/or support contract.

19.4.6 Movement of Product

If Customer plans to move, relocate, or delete any part of the Product from a Support Services contract, Customer must provide Quantum with 30 days prior written notice. If Customer requests that Quantum dismantle, supervise, inspect, remove or reinstall the Product as part of any move, Quantum will provide a quote for such services. Whether Product is moved by Customer or Quantum, Customer shall be responsible for shipment of Product to new location. Considering the new location of the Product, Quantum may, in its sole discretion: (i) continue performance of Support Services with the condition that Customer is responsible for any additional mileage charges; (ii) terminate the Support Services contract; or (iii) designate a different provider. Movement of Product that is designated non-customer installable as designated by Quantum without notifying Quantum prior to the move shall void the Product warranty and/or any then current Support Contract. Manufacturer supplied packaging is required to move all or partial units to a new location to ensure safe transit and can be purchased from Quantum if not retained by Customer. Inadequate packaging may void the warranty, subject a support contract to termination and/or require Customer to recertify unit at Customer's cost.

Upon Quantum's request, Customer will provide Quantum remote access to Quantum Product system performance data as reasonably required for Quantum to perform the Support Services and its other obligations hereunder. Obligations of Customer which must be fulfilled prior to Quantum performing any on-site services shall be communicated to Customer at the time services are scheduled. If Customer obligations are not complete upon arrival of the Quantum engineer, Quantum shall have the right to withdraw the engineer and reschedule once Customer obligations are fulfilled, and charge customer the standard rate plus expenses for any time spent on-site while waiting for obligations to be fulfilled. Customer shall advise Quantum of any non-business hour or weekend requirements at the time of scheduling on-site services and may be charged up to a 50% rate increase.

19.4.8 Firmware

Customer is required to maintain the product at no more than one Firmware revision removed from current production Firmware level to ensure proper operation and servicing of the product. The Customer may be required to install the latest Firmware Update prior to making any CRU or FRU replacements. Quantum will provide Customer with information on any upgrade charges prior to installation of the upgrade. Firmware upgrades may be available via remote access to the customer's system through the Remote Management Utility ("RMU"). At Quantum's discretion and upon prior notice to Customer, an additional fee may be levied for Firmware upgrades requiring an onsite visit, either as a result of a library not having an RMU, or as a result of Customer's request.

19.4.9 Telephone Support

Telephone support included with a support contract purchase provides the following: (i) assistance in identifying and verifying causes of suspected Errors; (ii) work-around for identified Errors; (iii) answering questions regarding Software installation and configuration; and, (iv) answering questions regarding differences between Software versions.

19.4.10 Error Corrections

Quantum will use commercially reasonable efforts to correct any Errors reported by Customer (e.g., by providing a workaround or correction in a Update). If Customer encounters an Error with the Software, Customer must sufficiently define the Error to Quantum so that Quantum can reproduce the reported Error. Non-reproducible Errors may require dispatch of an engineer on-site, which will be charged on a time and materials basis. After receipt of any such written notice of an Error from Customer, Quantum will promptly notify Customer if Quantum cannot reproduce the Error. If Quantum cannot reproduce the Error, Customer will provide such additional information regarding the Error as Quantum may request in order to assist Quantum with reproducing the Error. Customer will provide a separate written notice for each Error encountered by Customer. In its notice of an Error, Customer will reasonably classify for Quantum the initial priority of the Error. Customer will use the nature of the Error and Customer's business circumstances to initially classify each Error. Customer will classify each Error as a Critical Error, Major Error or Minor Error. To the extent that Quantum disagrees with any Error classification provided by Customer, Quantum will promptly advise Customer of the revised classification of any Error.

The existence of such causes of delay shall justify extension of the time of performance to the extent reasonably necessary to enable such party to satisfy its obligation hereunder after the cause of delay has been removed.

25. Assignment

Neither party may assign its benefits or delegate its obligations under these Terms and Conditions without the advance written consent of the other party unless in the context of a sale of all or substantially all of the assigning parties' assets to another entity who is not a competitor to the non-assigning party and who has a reasonably acceptable credit rating.
